

MICHIGAN AUTISM SAFETY TRAINING (M.A.S.T.)

An Autism Alliance of Michigan Safety Initiative

Autism Alliance of Michigan's 2-hour course is MCOLES approved for 302 funding reimbursement and for Fire/EMS continuing education credits. Consider hosting a training session.

Police, Fire, and EMS will:

- ✓ Expand their knowledge of autism and related behaviors.
- ✓ Acquire information and tips on how to effectively interact with individuals with autism and their families and care providers.
- ✓ Increase their recognition skills of persons with autism.
- ✓ Learn community outreach strategies that will increase support and safety for those with autism.

Presented by:

Sgt. Scott Schuelke
(Lansing Police Department , Ret.)
Autism Safety Specialist
Autism Alliance of Michigan
